PRACTICE TEST

Student Signature

- Be sure that the circle you mark on your Answer Sheet matches the letter you choose in your Test Book.
- Make your mark heavy and dark, completely filling in your answer choice circle. If you make a mistake, erase your first mark completely before marking another answer.
- In addition to selected response items, there are constructed response items that require a written answer. Constructed response items are a very important part of the test.
- Write your best response for each constructed response item. Remember, only what you write within the response box will be scored.
- The Rubric Sheet provides information about how constructed response items will be scored. Use the Rubric Sheet during the test to help you plan and revise your responses.
- You may underline, mark, or make notes in your Test Book, or you may use scratch paper; however, be sure to record your final answer on the Answer Sheet.
